

IX Euro-Asian Symposium «Trends in MAGnetism»

September 13–17, 2025, Yuzhno-Sakhalinsk, Russia

**Sakhalin State University
Far Eastern Federal University
Far Eastern Branch of RAS**

ORGANIZING COMMITTEE

Vladimir V. USTINOV, *EASTMAG General Chairman*
Alexander S. Samardak, *Organizing Committee Chairman*
Alexander A. Saranin, *Organizing Committee Co-Chairman*
Aleksandr V. Davydenko, *Organizing Committee Co-Chairman*
Alexey V. Ognev, *Program Committee Chairman*
Nikolay G. Galkin, *Program Committee Co-Chairman*
Leonid L. Afremov, *Program Committee Co-Chairman*
Irina O. Ivankova, *Local Committee Chairman*
Denis A. Salanin, *Local Committee Co-Chairman*
Oleg O. Shichalin, *Local Committee Co-Chairman*
Evgenii N. Boyarov, *Publication Committee Chairman*
Sofia Ch. Yann, *General Symposium Secretary*
Valeriya E. Chernova, *Symposium Secretary*
Anna V. Nikolaeva, *Symposium Secretary*

DEADLINES

Registration and Abstract submission **May 31, 2025**
Abstract acceptance **June 10, 2025**

REGISTRATION FEES

Participant (before August 1, 2025) – 350 €
Participant (after August 1, 2025) – 450 €
Accompanying person – 100 €
Students – 100 €
Online – 100 €

SCIENTIFIC PROGRAM

- Spintronics
- Spin-Orbitronics
- Low dimensional magnetism and magnetic nanostructures
- Spin dynamics and magnetic resonances
- Domain walls, vortices and skyrmions
- Micromagnetic simulation and *ab-initio* calculations in magnetism
- Magnetotransport, magnetooptics and magnetophotonics
- Magnetoelastic, magnetocaloric and shape memory effects
- Frustrated and disordered magnetism
- Magnetism of strongly correlated electron systems
- Magnetism and superconductivity
- Soft and hard magnetic materials and applications
- Magnetic semiconductors, multiferroics, topological insulators
- Magnetic Recording and Information Technology
- Bio-magnetism and Biomedical Applications
- Instruments and techniques for studying magnetism
